✉ charlotte.lindfors@borenius.com

Charlotte works as our Business Development & Sustainability Specialist. Her duties consist of business development, marketing and customer relationship management. In addition, Charlotte is specialised in communications and reporting related to our firm's sustainability and corporate social responsibility goals. She also knows her way around brand management, social media, webpages and employer branding.

Charlotte holds a Master of Business degree from the Åbo Akademi University where she majored in Organisation and Management. Charlotte joined Borenius in 2018.
