✉ inka.lundstrom@borenius.com

Inka advises clients on a broad range of technology, data and intellectual property matters, including disputes in these areas. She focuses in particular on the rapidly evolving regulatory landscape governing data, artificial intelligence and cybersecurity, advising on compliance, risk management and contracts.

Inka joined Borenius as an Associate in 2026, after working at the firm as a trainee. During her studies, she gained experience in legal technology working as a trainee at another law firm. Inka holds a law degree from the University of Turku and additionally studies computer science at Aalto University.
