✉ jon.jokelin@borenius.com

Jon advises clients on technology, intellectual property, venture capital and growth equity matters. Jon has worked with growth companies across a wide range of sectors, providing guidance on corporate and intellectual property issues, including commercial agreements – ranging from complex licensing arrangements to other contract negotiations. He also assists clients in designing and implementing incentive schemes for Finnish companies, such as stock options, synthetic instruments and employee share issuances.

Jon joined Borenius as an Associate in 2021. Before that, he served as a trainee at Borenius and other Finnish law firms, as well as at the District Court of Helsinki and the Finnish Patent and Registration Office.
